In a shocking move, the Ministry of Secondary Education has decided to change the method of evaluation of class X IAS exam at the direct intervention of the Centre. On March 9, 2015, he issued a direction to the Board of Secondary Education, Delhi, to review the norms for Class 12 CBSE exam and also introduce one preliminary exam for the convenience of students. As of November 15, 2014, there have been no known traffic fatality reports for motorcycle crashes that resulted in injury. However, the MUTCD for Vehicular and Pedestrian Bridge Crossing Devices (8th Edition) has been released in February 2015. The MUTCD 8th Edition, along with the 8th Edition Vehicle Safety Codes, will be implemented beginning July 1, 2016. The MUTCD 8th Edition will add numerous new motorcycle traffic control devices to the NHTSA regulations as well as expand the numbers and types of safety applications that can be used to improve safety at bridges for motorcyclists, pedestrians and bicyclists. Motorcycle safety has been prioritized by the National Highway Traffic Safety Administration as a new focus area. The MUTCD 8th Edition represents one of several initiatives, including the Pedestrian Safety Guidelines for New York State (8th Edition), to improve pedestrian safety. In such a scenario if a candidate is to be provisionally passed the announcement would be broadcast on DAAS news (KV News) during the afternoon of 11 th June. Candidates in such a case should contact the CBSE office as soon as possible as his/her provisional result will be used to avail the admit card. Board was administered exams in special conditions and therefore these are designated as Special Difficulty Exams. These exams are conducted in 50-minute sessions. Such exams have been held every year since 2007. In the Special Difficulty Exams, the total number of marks is 250. If there are no adverse marks, each candidate is awarded a pass mark for each subject. If adverse marks are calculated separately for each subject, candidates will be awarded a pass mark for each subject. Marks are placed as adverse or adverse in the order of appearance of the candidate. Detailed explanation of adverse marks will be published after the declaration of results.

The accountability files provide student counts and proficiency-level breakdowns at the school, district, and state levels for subjects using in accountability determinations. Grades and subjects are combined according to accountability business rules to arrive at the totals in these files. Results are suppressed where the number of valid test scores is less than 10 (this is denoted by a single asterisk *). In these files, suppression also occurs where any individual proficiency level is less than 1% or greater than 99% at the state and district level, or less than 5% or greater than 95% at the school level (this is denoted by two asterisks**).
